

FUTSAL

More than just an indoor soccer game!

It is the tool used by clubs around the world to develop players. Those players include Ronaldinho, Ronaldo, Robinho, Juninho, Marta and other famous players around the world.

Players not only learn these skills but have to apply them in actual game settings. Making it fun and very effective.

“ We guarantee that players will come out of every session challenged and more confident. On top of all the technical and tactical benefits players will have fun. ”

The Training

Our training focuses on the TTF's of soccer at an individual and team level

Technical: passing, dribbling, ball control

Tactical: defensive, offensive, movement off the ball

Fun: enjoy training, playing, soccer!
