

¡World Cup!

South Africa 2010

This year will be one of the greatest years to join La Escuela. In addition to world class training, this year La Escuela will be taking players to watch matches from this World Cup in a live big screen theater setting! It is a unique opportunity that can't be missed! Your players will be able to see the incorporation of their lessons at the highest level of play during these games!

La Escuela

La Escuela Mundial de Futbol is designed for players who are seeking a serious futbol/soccer environment within a team setting. Each day focuses on specific individual/team technical and tactical aspects of the game.

La Escuela Mundial residential camp promotes that soccer and learning are fun and that it takes hard work to excel.

Players will learn the importance of basic techniques on the field. They will walk away educated in the importance of fundamental techniques and advanced concepts of the game which is the basis for their future development and taking their game to the Nivel Mundial (world level).
